MONIN advises:

Flavored soda:

- When using sparkling water you need to increase the amount of MONIN syrup
 - Any fruit flavor will be suitable

- When using lemonade you need to decrease the amount of MONIN syrup
 - Any fruit flavor will be suitable

- You can combine orange flavored soda with the following MONIN flavors:
 - Pink Grapefruit, Blood orange, cherry, Peach, Pomegranate...

- You can combine Cola with the following MONIN flavors:
 - Pomegranate, Vanilla, Caribbean, Cherry, Raspberry...

- Le Fruit de MONIN will bring texture to your drink
 - Try with MONIN Peach, Passion Fruit, Raspberry, Strawberry, Mango or Red Berries

Flavored juice

Recipe:

30 ml MONIN syrup or Le Fruit
150 ml Orange, Pineapple, Apple, berry, grapefruit juice..

Method:

Pour MONIN Flavoring into a glass filled with ice cubes
Top with juice
Stir & Serve.

MONIN notes:

Garnishes can be added to the drink to reinforce the visual aspect.

If the juice is cold enough ice cubes are not mandatory

Flavor suggestion:

MONIN Syrup: blackberry, raspberry, apple, blackcurrant, blueberry, bubble gum, candy strawberry, cherry, fig, frosted mint, kiwi, banana, grenadine, guava, lychee, mango, melon, Passion Fruit, Orange, Pomegranate, Lemon, Blood orange, Mojito Mint, peach...

Le Fruit de MONIN: Strawberry, Raspberry, Red Berries, Mango, Passion fruit, Peach.

MONIN advises:

Flavored Juice:

- When using orange juice MONIN recommend to use the following flavors
 - Peach, Grenadine, Strawberry, Raspberry, Vanilla, Blackberry...
- When using Pineapple juice, MONIN recommend to use the following flavors:
 - Pina Colada, Coconut, Banana, Caribbean
- When using Apple juice, MONIN Recommend to use the following flavors:
 - Cinnamon, Blackcurrant

For a lighter beverage you can use the following recipe:

30 ml MONIN Flavoring + 80 ml juice + 80 ml soda water or lemonade
